

TERMS AND CONDITIONS APPLICABLE TO CONTRACTED INTERNET OR VIDEO RAMP SCHEDULE

Midco will provide a six (6) month ramp for contracted internet, managed Wi-Fi (for MDU complexes) and/or contracted video services provided to the customer as outlined in the Service Order. The ramp period will begin for each building identified in the Service Order, for the services specified, upon Midco installation completion of each building. If the percentage of units is not a full unit, unit will be rounded up to the next full unit.

Months	Billing
0 – 3	25% of units in building
4 – 6	50% of units in building
7 – Contract Term	100% of units in building
